

Selling Challenge!

Selling product is the way to STAR!

This is a fabulous idea...
one that could get you to STAR by tomorrow!
Get in on the 24x24x24 Challenge

- Take 24 hours (or longer if you need to, only YOU are counting, but it does create urgency!)
- Call, text or email 24 people - not just current customers...
Think of ALL acquaintances, co-workers, family members... everyone is a potential sale
- When they are the first of 24 to purchase \$24 (minimum), they earn ONE 1/2 item from you.

Do the math:

- This 24x24x24 formula leads to at least \$576.00 in retail sales (once accomplished)
- With the additional 1/2 price items, it adds to your wholesale order
- \$576.00 means you're restocking or ordering \$288 wholesale (w/minimum purchase of \$24!!)
