Quick Tips

1. If you don't hold appointments at your home, then just say, "I hold appointments everyday from 10-2pm and I travel to you. It takes one hour. Is a Tuesday or a Thursday better for you?"
2. At the appointment, the main focus is skincare with a little dash out the door makeup. Photos can be taken with their Iphone or yours and you can text it to them. Simple and fast.
3. The gift I mail when they get me their guest list is a thank you note plus a lip gloss sample.
