Does your current job leave you feeling "dead" at the end of the day?

Is a chance for a promotion as "thin as a skeleton?"

Do you have a "ghost" of a chance for a pay increase?

How many of your co-workers could "ride a broom to work?"

Does the thought of being in your current job 5 years from now make chills go up and down your spine?

If your answers to these questions are SCARY. . . maybe you should consider a change!

I'm currently looking for women to work with me part or full-time as Skin Care Consultants. I'm also training Holiday Gift Consultants in time for the Christmas selling season! Contact me for more info at no obligation to you or me!
